a. (C) The U. S. Attorney's Office in Chicago, which is handling the Kampiles case, requested this Office to conduct an audio countermeasures inspection of two offices. This request was made after the FBI informed the U. S. Attorney's Office that they were unable to conduct the inspections due to other priorities. We have obtained a favorable opinion from the Office of General Counsel relative to our providing this inspection, which will be conducted on 2 November.

25X1C

c. (U) On 6 November a Health Hazard Evaluation Team (HHET) from the National Institute of Occupational Safety and Health, Cincinnati, Ohio, will conduct a survey at

25X1A

 in an effort to resolve a continuing problem of skin irritation which has affected certain employees at that location. The team will be comprised of a doctor, a physician's assistant and an industrial hygienist.
